

# DENYO EVENTA 20KVA DIESEL GENERATOR

For smaller events and weddings, this generator is the perfect match.

Ultra quiet and ultra reliable

The Denyo Eventa 20 is a super silent 20kVA constant rated diesel generator that produces 60dB(A) at 7m with a Stage IIIA transition engine. Up to 26 hours of uninterrupted operation is available from the environmentally safe Kubota engine which is fully bunded to prevent fuel spillages.

These are conveniently road towable and delivered and installed by our highly experienced technicians.

Outputs

1 x 3ph 32a

3 x single ph 32a
